TERMS, EXCLUSIONS, & DISCLOSURES

You agree to the following terms and disclosures by purchasing this membership plan:

- Our membership plans are provided only to uninsured patients of our practice and are not insurance, prepayment for future services, payment for access to discounted services, or a qualified health plan under the Affordable Care Act. Instead, our patients elect to make annual subscription payments for preventive care versus paying at the time of each service.
- The membership plan is a direct agreement between the patient and the legal entity of our practice. Membership plan payments must be current in order for the patient to receive the benefits included with their membership plan.
- Membership plan benefits may not be combined with any other offers or discounts. Payment for additional treatment provided by our practice to the patient is due at the time of service and our membership plans do not cover procedures completed outside of our practice.
- The term of our membership plans is 12 months from the patient Effective Date and automatically renews on the Renewal Date. Patients can opt-out of membership plan renewals by contacting our practice directly. Refunds are at the sole discretion of our practice.
